AA-410G

## Description      **Stainless Steel Speed Unit with Dump Sink and Glass Rinser**

This stainless steel speed unit effortlessly boost your bar's efficiency! It is great for bars that make a lot of cocktails because it has a dump sink with a splash-mount faucet and a push-down glass rinser on the front. To streamline cleaning, the top is removable and has a perforated design, and keeping splatter from the sink container, a 3" tall backsplash is built into the rear.
