**Description**

**4" Rear Upturn Enclosed Cabinet - Sliding Door**

This enclosed cabinet with 4" rear upturn combines a durable work surface with adjustable mid-shelf to keep mixing bowls, containers, prep supplies or even small kitchen appliances close at hand. It features a sliding door design that keeps contents safe and enclosed. The stainless steel top provides superior corrosion resistance and durability you can count on. The 1-5/8" diameter stainless steel legs with adjustable bullet feet provide support for the whole cabinet. This added additional storage space is perfect for your commercial work setting!
