- All welded construction for rigidity and strength
- Rolls easily on heavy duty 5" stem casters
- Reinforced top and side edges provide extra strength
- Bottom basket is made of heavy gauge galvanized steel
- Includes donut table accessories

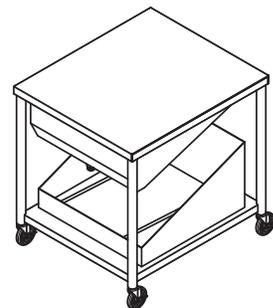

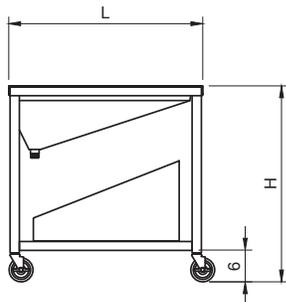

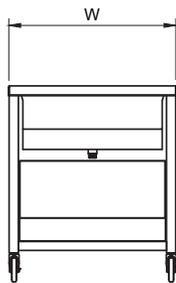

#### Included Items:

### Description **Glazing Donut Table**

The donut glazing table is designed for donut makers who need to make maximum use of limited space. It allows fast, uniform glazing of donuts, cinnamon rolls, cakes and other baked goods. It conveniently glazes one full screen at a time with little or no wasted glaze. All glazer models include moveable casters and covers. Stainless steel construction and sound design facilitate cleaning and provide a durable product that will stand up to years of everyday use.

### Plan View **DN-TBLS-N (only this model has drain)**
