FLAT TOP DISH CABINET

Features

- Machine mold with manual welding
- Special 3" wall hung design
- 18 gauge stainless steel
- Cabinets are available with hinged or sliding doors
- **Fixed shelf**

Description Flat Top Dish Cabinet

This flat top dish cabinet is the best place to store clean dishes, plates, bowls, and more out of the way when you don't need them and easily accessible when you do. The stainless steel top provides superior corrosion resistance and durability you can count on.

The 1-5/8" diameter stainless steel legs with adjustable bullet feet provide support for the whole cabinet. The middle shelf inside is easy to adjust and very durable.
